We hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant patent application which would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on application number 10/018,124, filed on June 14, 2000 and granted on March 23, 2004 as Patent no. 6,709,217. It is hereby agreed that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on application number 10/018,124 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors and/or assigns.

In making the above disclaimer, no disclaimer is made of the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent granted on application number 10/018,124, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such granted patent: (1) expires for failure to pay a maintenance fee; (2) is held unenforceable; (3) is found invalid by a court of competent jurisdiction; (4) is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; (5) has all claims canceled by a reexamination certificate; (6) is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

Joseph Golant hereby declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false
